First class acting all the way!!! Wonderful ensemble cast and terrific writing. The stories are excellent. I really enjoyed this set.0 of 1 people found the following review helpful. Gunsoke cassettesBy Pamela JohnsonSome of the cassettes were yellowed and the book was soiled as if something had spilled on it. The nuances, the music, the sound effects, and even the dramatic silences all heighten the effect of superb stories acted by great radio talent. William Conrad is the perfect anti-hero, often doubting himself, but always ruefully accepting his mission eventually. The great supporting cast (Parley Baer, Georgia Ellis Howard McNear) brings the characters to life in a more realistic way than the TV show. This collection is a good sampling of these shows, presented just as they were broadcast.
