Great music... lousy binding By Eric Umholtz I really enjoy playing his music. however the binding of the book makes it impossible to play on the piano. the pages keep flipping backwards or forward (depending on where in the book you are)..it should really be a spiral bound book. i have to photo copy each page to make it playable. other than that, great music 1 of 1 people found the following review helpful. Excellent collection. The selections are not pieces that I ... By Mike Excellent collection. The selections are not pieces that I have heard before, but they are in the movie theme genre and have a great deal of emotion to them. They are reasonably easy to play for an intermediate piano player. 3 of 3 people found the following review helpful. Sounds

great on the harp, too!By Nancy SThis is lovely music and much of it sounds equally pleasing when played on the harp. Many of the pieces can even be played on a large lever harp without too much lever flipping. Makes me wonder if Mr. Einaudi has written specifically for the harp.....

(Piano). A large collection of arranged and original piano pieces by one of Italy's great film and pop composers.
