cut anywhere from 1 to 4 letters off the left-hand side of the pages, making that part of the book unreadable, I have several e-books from BRI through eight out of every ten that I own have this defect. When I contacted the BRI by phone, their representatives attitude was extremely apathetic. Since the BRI don't care if their e-books are readable I will NOT be buying anymore of them. ABSOLUTELY NO STARS 0 of 0 people found the following review helpful. Five Stars By Customer Great gift highly recommend this seller 0 of 0 people found the following review helpful.
