From Hal Leonard : The Big Book of Disney Songs - Clarinet (Book Only) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Big Book of Disney Songs - Clarinet (Book Only):

This book is so popular with my clarinetists that I use it weekly. It has a good range of difficulty and is great for teaching rhythm because students recognize the songs and are inspired to play the music correctly. It's good for students who have played between 6 months to about three years, or adult clarinetists just wanting to have fun. Highly recommend. 0 of 0 people found the following review helpful.
