Great hits from my salad days written in a style ...By PatinkyGreat hits from my salad days written in a style that lets me play them without getting frustrated. I played piano for 20 years then spent 20 years totally away from the piano. These songs are arranged for an upper level beginner or first level intermediate and just what I needed to ease back into playing.0 of 0 people found the following review helpful. Book of oldies songs with wordsBy MaggieGood book of old songs and gives words as well which is a big bonus pleased with this item3 of 4 people found the following review helpful. Love the bookBy JoyLove the book. I have been searching for one of these for quite some time and thoroughly enjoy playing and singing those "oldies" when music was rock and roll.
