I frequently read the Uncle John's trivia books and find those to be much better written. There are tons of typos/missing words, whoever edited this did a very poor job. I wasn't much of a fan either of subject matter bouncing all over the place and found that several times in the different volumes the same facts were repeated. If you're a fan of trivia books seek out the Uncle John's instead of these.0 of 0 people found the following review helpful. Four StarsBy William WestA very good book on trivia.0 of 0 people found the following review helpful. Don't waste your moneyBy Patty L.I purchased volume 1, 2 and 3 as a Christmas gift..... Do not purchase. On page 1 of book 1 there are 2 "facts" that are duplicates, then 2 or 3 pages later the "fact" is repeated once more. Volume 3 starts with page 3.Really ? How embarrassing
