It's hard flipping (using "go to") to go back and forth from the chapters to the answers in the back.2 of 2 people found the following review helpful. Extremely Detailed!By Chris CasebeerThis

book is great! As I read the questions, I think back to the episodes to remember all the details. I'll go back and watch episodes over again to find answers. It really gives you a chance to see things you never thought about. I recommend this book to anyone who loves the show. You'll be humbled by how much you thought you knew, and you'll feel like a champ when you DO know the answer to a question! A great challenge for a great show. 3 of 3 people found the following review helpful. Perfect for serenity fans. By momma4I bought this as a gift for my serenity loving mother in law. She loves anything serenity and had a bunch of serenity shirts that she wears and serenity bumper stickers on her car. So, I had to get this book. She loved it and she had never seen it. But she thought the questions were really hard. She was only able to answer maybe 5 or 6 out of a hundred questions right. But it is fun to read.

The Big Damn Firefly Serenity Trivia Book is the ultimate fan's guide to Joss Whedon's critically acclaimed series Firefly and film sequel Serenity. Inside you will find over 1,000 questions that delve into the detailed elements that have made Firefly and Serenity beloved by millions, including the characters, actors, episodes, and behind-the-scenes moments. The questions highlight aspects of the show that casual viewers may have missed and the die-hard Browncoats will relish. And with an introduction from "Jaynestown" director Marita Grabiak, everyone is sure to learn something new. In addition, each chapter features a short biography on members of the cast and production team who were instrumental in bringing the adventures of Serenity's crew to life. This book will test your knowledge and rekindle the excitement you felt the first time you saw our Big Damn Heroes on the screen. Perfect for enjoying on your own or challenging friends at parties, shindigs, and convention gatherings, The Big Damn Firefly Serenity Trivia Book will answer the most important question of all: who is the biggest Firefly and Serenity fan in the 'verse?
