GoodsBy Fly By LightThere is nothing better than getting what you pay for, especially when you don't pay much. This book delivers - the transcribers spare no effort to deliver the most accurate transcriptions possible, even to the extent of noting flat bass notes and eighth notes that are played "straight". The rhythmic notation is almost unnecessarily precise at times, with quintuplets and tied triplets that could be read more easily if they were less perfect. I was quite happy with the song selections as well - Autumn Leaves, Peri's Scope, Waltz for Debbie, and Alice in Wonderland are all personal favorites, plus you get others like When I Fall in Love and Nardis. Talk about value. . .If you've ever wished you could look over Bill Evans' shoulder and ask him how to play certain passages or chords, this is as close as you can get.1 of 1 people found the following review helpful. Worth every penny!By alienintheheightsA tremendous undertaking here. Kudos to everyone who worked on this. Much work ahead learning all of this!

(Artist Transcriptions). Note-for-note piano, bass and drum transcriptions of eight great tunes performed by the formidable trio of Bill Evans, Scott LaFaro and Paul Motian. Includes: Alice in Wonderland * Autumn Leaves (Les Feuilles Mortes) * How Deep Is the Ocean (How High Is the Sky) * Nardis * Peri's Scope * Solar * Waltz for Debby * When I Fall in Love.
