The Billy Joel Keyboard Book By Semore Blues I like it much more than my other Billy Joel song book which incorporates melody, as I wanted the original music. My daughter, who reads music (I don't), didn't care much for it as she like to incorporate the melody when she plays. 0 of 0 people found the following review helpful. Great song writer, book well worth the money By Szezins Great artist, helping me to learn piano. 1 of 1 people found the following review helpful.
