Steve Sterbentz : The Blackjack Professor before purchasing it in order to gage whether or not it would be worth my time, and all praised The Blackjack Professor:

0 of 0 people found the following review helpful. Entertaining and EducationalBy Jane DoeThe book comes with flashcards to help you remember what to do. The book is well written and entertaining. If you are on your way to the casino, this is a must have.

The first and only of its kind, the Blackjack Professor is the fastest and easiest way to master Basic Strategy. Includes two decks of casino quality playing cards that cover every possible combination of hands. Every card is different with

the situation on the front and the mathematically correct play on the reverse. Test yourself until you know every answer and youre ready to maximize your winnings at the blackjack table!
