1 of 1 people found the following review helpful. Great Classic Comedy from Bob Hope!By Joseph Baneth AllenJust finished listening to "Legends of Radio - The Bob Hope Show" released by Radio Spirits.Released by Radio Spirits back in 2002, "Legends of Radio - The Bob Hope Show" is a wonderful smorgasbord of radio programs from one of the 20th Century's most popular and endearing comedians - Bob Hope.A great majority of the programs in this collection were done for the servicemen at military bases during World War Two, which makes this collection a throughly enjoyable time capusle - you can hear the love, admiration and respect Bob Hope and his cast had for servicemen and servicewomen; and you can hear their love for Bob Hope and his talented cast members.The best episodes are with guest stars Dorothy Lamour, Paulette Godard, and Veronica Lake; Lucille Ball; Eddie Cantor; Bing Crosby; Fred Allen; and Gracie Allen.We also get to listen to the evolution of Bob Hope's radio show as the program changed cast and sponsors.Hopefully Radio Spirits will consider releasing more collections of "The Bob Hope Show"**STRONGLY RECOMMENDED IF YOU CAN FIND THIS COLLECTION!FIVE STARS!**0 of 1 people found the following review helpful. One of America's best loved entertainers, Bob Hope starred on stage, in movies and on TV - but he achieved his earliest and greatest fame on radio. Hope's Pepsodent Show was radio's top ranked series during the War Years, and his remote broadcasts from military bases helped to boost American morale during some of our darkest days. Radio Spirits presents 40 of Bob Hope's all-time greatest broadcasts, available now for the first time since they aired more than 50 years ago. Celebrate the glorious career of the beloved comedian who has left generations of loyal fan's proclaiming, "Thanks for the Memory." Includes guest appearances by many of Bob's old friends: Bing Crosby, Jack Benny, Judy Garland, Cary Grant, Lucille Ball, Roy Rodgers and Dale Evans, Dean Martin and Jerry Lewis and many more.
