From Chancellor Press : The Book of Games before purchasing it in order to gage whether or not it would be worth my time, and all praised The Book of Games:

This book teaches readers how to play and win more than 40 of the world's most popular board and card games. The rules and basic principles of each game, and many of its variants, are described and accompanied by helpful step-by-step diagrams. In addition there are sections on the most successful strategies and example games are played through with instructive commentaries. Table games such as backgammon, chess, dice games, hex, shogi and draughts, card games such as cribbage, bridge, solo whist, tarot, piquet and gambling games such as baccarat, blackjack, craps, new market, red dog, roulette and brag are included.
