3 of 3 people found the following review helpful. This is a wonderful collection of tunes that are satisfyingBy JessageThis is a wonderful collection of tunes that are satisfying, soothing and imaginative. They are all folk tunes collected by scholars, which means they have already withstood the test of time for quality, and they are in the public

domain. Not that babies care... Folk wisdom says that you should sing a lullaby twice and hum it for the third time, which puts the baby to sleep. Enjoy this delicious collection!3 of 3 people found the following review helpful. ... for many baby showers and I get nothing but great responses in returnBy CustomerHave given this book as a gift for many baby showers and I get nothing but great responses in return. Cannot say enough good about this series!4 of 4 people found the following review helpful. Great for kids and adults!By Kim McLainI bought this as a gift for a friend, and she loved it! So many warm childhood memories!

Including the text and musical notation of 80 lullabies that have withstood the test of time, this book will inspire joy, and laughter in infants and toddlers. The book features songs in English as well as in Japanese, Russian, Yiddish, Spanish, French, German, and several other languages, with English translations. Favorites such as Brahms' "Lullaby," "Hush, My Baby Don't You Cry," "Swing Low, Sweet Chariot," and "Twinkle, Twinkle, Little Star" are just a sampling of the numerous multilingual, multicultural soothing songs that lull children to sleep.
