1 of 1 people found the following review helpful. Puzzles, puzzles more puzzles!By CrystalPurchased for a friend who will be in a hospital bed for about 6 weeks. She loves these puzzles but I couldn't find them locally. It seemed pricey until I checked the number of puzzles for the price against the cheaper ones. No comparison. Many more puzzles for the dollar charged.1 of 1 people found the following review helpful. Helps keep your mind working.By MikeyThe wife loves doing this book.1 of 1 people found the following review helpful. Love This Book!!!!By BettyI have been doing Number Searches for a long time, the small ones that you can get in grocery stores. They don't have them anymore, so i went back to Word Searches. My Grandson looked on line found this one and got it for me. i have never seen a book this big. It will last me a while.

Welcome to this huge collection of Number Searches, with 1000 puzzles! The rules of Number Search puzzles are simple: find the listed numbers in the grid. They can be laid out in any of the 8 directions: horizontal, vertical, left diagonal, right diagonal and all those backwards, too! Thousands and thousands of numbers for you to find! Printed in large font, very easy to read the numbers! ENJOY! :) _____ number search, number searches, number search book, number searches book, number sleuth, number find, large print number search, number search large print, large font number search, number search large font, big print number search, number search big print, big font number search, number search big font, large print number search book, number search book large print, large font number search book, number search book large font, big print number search book, number search book big print, big font number search book, number search book big font, number sleuth book, number find book, find a number, find a number book, numbers in a grid
