Fun to Read One Section at a TimeBy PsychprofessorMy wife and I like to have a book that we can read to each other alternately every night, and The Book of Unusual Knowledge fits the bill nicely. We haven't gotten very far in it, but what we've read about movies and Hollywood has been stuff we didn't already know. It's well written and fun so far. Also, we love the look and feel of the book; it has great

PoulinIf you enjoy reading about different unusual things, then you will enjoy this book.7 of 7 people found the following review helpful. for the one who knows it allBy Jessica HensleyThis is such a great book full of things you would never think of.

The Book of Unusual Knowledge is a mammoth 704-page padded hardcover book crammed with a cornucopia of information some useful, others not so much but all of it completely captivating. It's perfect for anyone with a curious mind and a passion for learning. With quirky illustrations and a vast array of articles, anecdotes, lists, and games, this book will provide hours of fascinating reading. It will also expand your knowledge on a range of topics, including the animal kingdom, art, sports, technology, history, politics, the universe, and much, much more. Sample topics include: Are plastic bags killing sacred cows in India? Does NASCAR have roots in bootlegging moonshine? Did Ronald Reagan see not one but two UFOs during his lifetime?
