Tito Sciortino : The Breathtaking Book of Hieroglyph Find-A-Words: Being A Splendid Set of 101 Find-A-Word Puzzles before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Breathtaking Book of Hieroglyph Find-A-Words: Being A Splendid Set of 101 Find-A-Word Puzzles:

Anyone can do it! We proudly present The Breathtaking Book of Hieroglyph Find-A-Words - a new, exciting, and completely unique collection of 101 word search puzzles! Each puzzle's target words are in hieroglyphs, with transliteration, and English translation at the bottom of each puzzle page. Just match the hieroglyphs at the bottom of

each page with the hieroglyphs in the box above. As you're looking for the target word in the puzzle, keep the English meaning of the word in mind, and soon you'll have painlessly learned to read quite a few real hieroglyphic words! The solution to each puzzle is included. These are the real deal, and as you complete the puzzles, you will likely find that you're able to recognize some of the words you see in hieroglyphic texts in your visits to museums! Good luck with your puzzling! This is one of a set of hieroglyph puzzle books published by Hieroglyphs.net.
