**Alfred Drr : The Cantatas of J. S. Bach: With Their Librettos in German-English Parallel Text** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Cantatas of J. S. Bach: With Their Librettos in German-English Parallel Text:

3 of 3 people found the following review helpful. informtion please.By philThe book gave the first date the cantata

was performed, the period of the church year and information about the cantata itself, all in a clear, well ordered format. I thought the translations were excellent; there was only two instances, where I thought the CD I had, contained a better translation of the cantata title. 0 of 0 people found the following review helpful. Well Worth the Price to Have Everything in One Place By Lois C. Fleming Great! Love following the text and getting some background information as I listen. Especially with the budget collections not providing booklets with libretti, this ensure you have the equivalent information for every cantata. The information is also high quality, reliable scholarship. 0 of 0 people found the following review helpful. Essencial book By Robson R. Goncalves Reference book to understand the sacred works of Bach. Its high point is the translation of the cantata's lyrics. The English versions of that texts are not literal and its expressive content remains very clear. All this greatly enhances the pleasure of listening to the music of the great Saxon genius.

A work-by-work commentary on the Bach cantatas by one of the world's most famous Bach scholars, now available in English and in paperback for the first time. It includes all the cantata libretti in German-English parallel text. An indispensable reference book for anyone listening to, performing, or studying any of the Bach cantatas.

"Durr's text is intended for non-specialists and interested listeners, providing a well-informed and unpretentious description of each cantata. His focus is on the text and music, but his concise account of the occasions and recipients of these performances should stimulate thought about how Bach cultivated favour with local academics and with the Saxon electoral family."--Stephen Rose, *Early Music* About the Author Alfred Durr is one of the principal editors of the *Neue Bach Ausgabe* in which he edited "Bach's Well-Tempered Clavier." He holds honorary doctorates of music at Baldwin-Wallace College, Ohio and at Oxford University. Richard Jones is a Bach scholar who has been a music editor, writer, and teacher since 1980. He studied at the University of Oxford and has taught at the universities of Cardiff and Sheffield. In 1997 he became the editor of the piano grade exam pieces for the Associated Board.
