**Ross Edwards : The Card Rebel's Black Book: First Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Card Rebel's Black Book: First Edition:

The Card Rebel's Black Book picks up where The Card Wizard's Black Book: Second Edition left off. The Card Collector's Black Book series is the definitive reference on the business and collecting aspects of the trading card game industry. The Card Rebel's Black Book is the first in the series to feature a heavy emphasis on games other than Magic: the Gathering(tm), such as the Star Wars(tm) CCG(tm), the Star Trek(tm) CCG(tm), the Lord of the Rings(tm) TCG(tm), and others. The book includes some bonus Magic: the Gathering(tm) content as well.

About the AuthorRoss Edwards writes documents for the Arizona state government by day and books in his own fields of interest by night. Edwards is a bachelor's and law graduate of Arizona State University in Tempe and a typically

suburban husband and father.
