GREAT RESOURCEBy ShoeThis book is an excelent resourec for players and vendors of CCG's alike. mostly geared toward Magic: the gathering, this book discusses hot to track print runs to get the best bang for your buck in the CCG marketplace.2 of 6 people found the following review helpful. Absolute Accurate!By dthmiserThis book is simply one of a kind! A great inside scoop on how to pull out every rare you want out of SEALED boxes. I've had a chance to test this book out and the author clearly took hundreds of hours and thousands of dollars worth of product to acquire this valuable information. If you are looking for a HOW TO or Informational book that covers STEP A to STEP Z - THIS IS IT! 5 STARS!1 of 12 people found the following review helpful. Card Wizards BookBy William E. FrankThis book is very good if you are new to Magic. It will give you help on how to play and win your games.

*** NOTE: The Second Edition is available now! If you are new to The Card Wizard's Black Book, the Second

Edition is strongly recommended. The First Edition is available for archival purposes, but its content is only current to 2008. *** The Card Wizard's Black Book puts the Trading Card Game market under the microscope like never before, with a heavy focus on Wizards of the Coast's original game "Magic: the Gathering." Tricks of the dealer trade are exposed for the first time for collectors and players to learn! This is one book no dealer, player, or collector can afford to ignore.

About the Author Ross Edwards writes documents for the Arizona state government by day and books in his own fields of interest by night. Edwards is a bachelor's and law graduate of Arizona State University in Tempe and a typically suburban husband and father.
