Investigator, Episode 1:

JUST EXCAVATED from the vaults well beneath the basement, Scenario Productions presents the twisted lost episodes of Brick Mallery, Private Investigator. The Brick Mallery, Private Investigator series are audio dramatizations, produced with elaborate radio quality, including full range stereo sound effects and a swelling original musical score. The cast of at least a dozen deliver these intriguing parodies with aplomb in this innovative approach to audiobook delivery. Episode 1 of Brick Mallery, Private Investigator is a Publishers Weekly "Listen Up Award" Winner for Audio Dramatization. Presented on one (1) audio cassette. (Running Time: approx. 47 minutes)

"This original, made-for-audio series is a fun spoof of the detective radio shows of the '40s. Warren Coughlin is terrific as the Mickey Spillane-style detective with his sardonic "tough guy" voice. The dialogue perfectly parodies the cliched noir style, taking aim at cliché phrases and slick bad guys..." -- Billboard Magazine, August 2, 1997
