From Hal Leonard : The Celtic Fake Book (Fake Books) C Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Celtic Fake Book (Fake Books) C Edition:

5 of 5 people found the following review helpful. Cruising the Celtic Riffs NowBy MelFirst off, I play a 12-string acoustic electric and am more of a strummer than a picker. Due to some hand injuries, I am limited in the keys I can play, so bar chords are out and reaching to play some of the more difficult chords is simply not going to happen. I play mostly, in the major chords like G, C and D. I love Celtic music, but playing it was near impossible until I found this most excellent Fake Book. I can now easily play the songs I enjoy listening too. So if you're like me, have a limited chord repertoire and love celtic music, then this is the book for you.3 of 3 people found the following review helpful. This is a fantastic resourceBy flutekI am a professional musician. Occasionally my friends and I like to get together and play different types of music for fun. These fake books are great for that and the Celtic one in particular is very nice. It give contents alphabetically and by region (Irish, Scottish, etc.) Anyone who plays a C instrument can play along and there are chord symbols as well as melody line and verses. There are tons of tunes in here including very popular ones as well as ones that aren't as common. This book is a great value for the price if you are looking to have a little fun with Celtic music and have it on hand in case you need it.3 of 3 people found the following review helpful. Many hours of harping pleasureBy VHHThis was just what I needed to jump-start my folk harp repertoire. It's a great starting point for custom arranging traditional music, much easier than trying to adapt piano music.

(Fake Book). The popularity of Celtic music has soared over the last decade due to the resurgence of folk instruments, Celtic dancing, and Irish culture overall. This amazing collection assembles over 400 songs from Ireland, Scotland and Wales complete with Gaelic lyrics where applicable and a pronunciation guide. Titles include: Across the Western Ocean * Along with My Love I'll Go * Altar Isle O' the Sea * Auld Lang Syne * Avondale * The Band Played On * Barbara Allen * Blessing of the Road * The Blue Bells of Scotland * The Bonniest Lass * A Bunch of Thyme * The Chanty That Beguiled the Witch * Columbus Was an Irishman * Danny Boy * Duffy's Blunders * Erin! Oh Erin! * Father Murphy * Finnegan's Wake * The Galway Piper * The Girl I Left Behind Me * Has Anybody Here Seen Kelly * I Know Where I'm Goin' * Irish Rover * Loch Lomond * Molly Malone * My Bonnie Lies Over the Ocean * My Wild Irish Rose * The Shores of Amerikay * The Sons of Liberty * That's an Irish Lullaby * When Irish Eyes Are Smiling * Who Threw the Overalls in Mistress Murphy's Chowder * and hundreds more. Also includes many Irish popular songs as a bonus.
