1 of 1 people found the following review helpful. A Great Book and a Great Teacher By Matthew L. Hoffman Dr. Lesieur's book is essential reading for anyone who wishes to understand compulsive gambling and gamblers. It is particularly helpful for addiction clinicians who may be familiar with substance abuse but not gambling. In addition, I can affirm Dr. Lesieur is also a gifted teacher and clinical supervisor. He is a world-renowned expert on the

assessment and treatment of compulsive gambling, being one of the authors of the standard assessment tool, the South Oaks Gambling Survey.
