Sometimes warm-ups can be tedious or boring but the ones in this book have come in handy for a change of pace from the ones my chorus usually use. It's easy to fall into old or lazy habits but alternating the warm-ups can keep the evening exciting and keep the singers on their toes.0 of 0 people found the following review helpful. Fun for Middle School Choir and Very UsefulBy WidgeThere are a lot of great ideas and resources in this book. I like that the warmups are labeled with what they help achieve such as range expansion, group cohesion, vowel formation, etc. My middle school choirs really enjoy the warmups and look forward to learning new exercises. This is a great resource to have on hand.0 of 0 people found the following review helpful. Good resourceBy WendyNice collection
