### Garrison Keillor : The Christmas Companion: Stories, Songs, and Sketches (A Prairie Home Companion)

before purchasing it in order to gage whether or not it would be worth my time, and all praised The Christmas Companion: Stories, Songs, and Sketches (A Prairie Home Companion):

4 of 4 people found the following review helpful. Disappointed in The Christmas CompanionBy JLAI was disappointed that this CD contained mostly music instead of stories. The reviews I read before I purchased this led me to believe the opposite. And, the stories weren't very memorable or funny. I usually enjoy Garrison Keillor so I really wish I didn't have to give this CD a negative review. Some of the music, however, was very good bluesy Christmas music that my husband liked so much he wants to put it on his Ipod. 1 of 1 people found the following review helpful. A voice! Music to my earsBy raincrowfarmListening to Garrison Keillor makes me feel all warm and cozy inside like hot cocoa. This is basically a recorded Christmas show featuring all your fav's--Guy Noir, biscuits, and great feature performers. It's a nice change from listening to plain old christmas music all the time. a must for Prairie Home Companion fans, and a great example of the work this talented troupe does for those unfamiliar with the radio show. 0 of 0 people found the following review helpful. The Best Christmas Gift EverBy Holly L. BowlingBest Christmas gift anyone could get! A delightful mix of stories, musical performances, and great funny sketches from the radio show "Prairie Home Companion". About 2 hours worth.

The first new Prairie Home Christmas collection in ten years is a warm and wonderful celebration of storytelling,

music, and the holiday spirit. It's Christmas in Lake Wobegon, Christmas at the old radio show, Christmas at the Fitzgerald Theater in St. Paul, Christmas wherever friends and families gather to rejoice, reminisce, and share the holiday spirit.

**About the Author**As the host of *A Prairie Home Companion* for over forty years, Garrison Keillor has captivated millions of listeners with his News from Lake Wobegon monologues. He has been honored with Grammy, ACE, and George Foster Peabody awards, the National Humanities Medal, and election to the American Academy of Arts and Letters.  
**From AudioFile**This compilation is wonderful and occasionally strange. The material, all related to Christmas, is well executed, but the transitions from Lake Wobegon to a blues number, or from an extended radio sketch/fictional ad to "Dance of the Sugar Plum Fairies" are occasionally odd. However, that is the album's sole weakness, as many beautiful voices visit to share the holiday spirit, and many versions of old favorites give them new life. This blend of humor, sentiment, and seasonal music is a joy to the ear. It's sure to make listeners laugh out loud, tumble into memories, and perhaps even sing along. G.T.B.
