Smithsonian Historical, Glanville Heisch : The Cinnamon Bear: A Classic Children's Story (Smithsonian Historical Performances) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Cinnamon Bear: A Classic Children's Story (Smithsonian Historical Performances):

0 of 0 people found the following review helpful. This was very good but the whole series was better By Customer This was very good but the whole series was better. I listened to it as a child. I also have the cassette set and the dvd set 0 of 0 people found the following review helpful. Five Stars By Luther Just the way I remember it from the 1940's 13 of 13 people found the following review helpful. As charming as the original old time radio broadcasts. By A Customer This remastered CD returns the Cinnamon bear to it's original quality. The story is full of adventure, and excitement that my two children love. Some of the terminology used is rather out dated, but it doesn't detract from the story, although it does require a little explanation from time to time. My children didn't know what a "looking glass" was. This is definitely wholesome, worthwhile entertainment.

The Cinnamon Bear is the beloved 1937 children's radio series featuring Paddy O'Cinnamon, the Cinnamon Bear. It's a delightful six hour adventure story of twins Judy and Jimmy Barton and their search for the silver star that goes on top

of their Christmas tree. 5 cassettes.
