Only true american sportsBy Daniel PosavecThe concept of the book is nice, and the authors are quite funny, but the book deals only with american sports. If by chance the author does write about other sportts played the world over, he mentions only american players. If you're looking to learn something about non american sports, please skip this one.

For the sports fan, this guide offers fascinating facts and tidbits on baseball, football, basketball, hockey, the Olympic Games, tennis, figure skating, soccer, and more. It contains special sections on women's sports, young people's sports, and the Special Olympics, and includes listings of winners of the World Series, the Super Bowl, the Stanley Cup, and other major competitions.
