title and purchased this book expecting nothing informative but in fact it is quite good. The writers know a lot about songwriting.0 of 0 people found the following review helpful. Thank You for this book.By B-BI have gotten this book to learn. I have purchased it for a good price.0 of 0 people found the following review helpful. Specific, useful guidance...so farBy SpotsI've been using the other two books in this series for a year and they've taken me successfully from beginner to novice. I found a breakthrough idea in this one the first time I sat down with it. Very glad I got it, but I still have a lot more to read.

Now newbie songwriters can learn the craft-and sing their own praises online. Beginning songwriters can hit the right note by starting out with the basics in this guide, including: How to create melodies. How to create many different harmonies. Techniques using deliberate rhythm and stylistic changes. How to enable one's songwriting to grow and evolve. How to deal with songwriter's block. The best places to upload one's work for maximum exposure and opportunities.
