3 of 3 people found the following review helpful. It's a great mix of traditional settings of prayersBy David RothbergI'm a professional in the field, a Cantorial Soloist at a Reform congregation. I have many books of Jewish music. This is by far the one I use most -- about as much as all of the others put together. It's a great mix of traditional settings of prayers, Jewish folk songs, Israeli classics, classics of the Reform folk-song style (Debbie Friedman, Jeff Klepper, et. al.). If you want to have one Jewish song book, and you're in the Liberal Jewish world, this is it. Even if you're Orthodox, it's not a bad choice.0 of 0 people found the following review helpful.
