Charles-Auguste De Beriot, Paul M Fleury : The Complete Violin Concertos: 1-10 Violin Parts before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Violin Concertos: 1-10 Violin Parts:

First time in print, all 10 concertos by Charles-Auguste de Briot, Violin parts meticulously reprinted mostly from the German Peters edition plates, the piano parts are also sold in one volume and match the violin parts that are in this volume. Great addition to any violinist's library. Edition Fleury 2013, blank pages for notes and blank staff paper included in this massive 119pp book, 8.5"x11", glossy cover. Sure to please!
