Antony Hopkins : The Concertgoer's Companion - Bach to Haydn before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Concertgoer's Companion - Bach to Haydn:

Antony Hopkins was most instrumental in opening up classical music to a wider audience. To celebrate his 90th birthday in 2011 (21st March, same date as Bach but different year) we are republishing Volumes I and II of 'The Concertgoer's Companion'. Composers in Volume I are Bach, Bartok, Beethoven, Berg, Berlioz, Brahms, Britten,

Chopin, Debussy, Dvorak, Elgar, Franck, Grieg and Haydn. We hope the title is self explanatory.
