Stanley Newman : The Crossword Answer Book before purchasing it in order to gage whether or not it would be worth my time, and all praised The Crossword Answer Book:

0 of 0 people found the following review helpful. Somewhat confusingBy Karren RuesingI bought this book for my husband as our very old NY Times Crossword book was outdated. He states the old book was easier, this one is somewhat confusing so he has not really used it.0 of 0 people found the following review helpful. New York Times crossword answer bookBy Dortha BroughtonThere wasn't a description about the book, other than it was an answer book. All it has is possible letters to fit your puzzle. I thought it would be like a dictionary, and would give words to answer the puzzle clues. I don't like it at all!!14 of 14 people found the following review helpful. Just What You're Looking ForBy David R. CoxThis is exactly what you'd expect. You've got a couple of letters and need an answer, they're all here. Granted, that's a bit to look through, but desperate times and all that. I found this book particularly good for crossword construction, if you're into that sort of thing.

The most comprehensive crossword reference--the only one based on actual crosswords. It's guaranteed to have more of the answers you're looking for.

.com It's been done before, but never so well. Like their predecessors, professional crossword editors Stanley Newman and Daniel Stark have arranged thousands of three to seven letter words so that you can easily find them once you know the position of any two letters. Only they compiled their list from words actually used in crossword puzzles. They even included popular phrases, abbreviations, and proper names. The result may well be the greatest sanity saver ever published for crossword fans. The publishers are so confident in it that they offer a money-back guarantee of their own. I strongly doubt that they'll issue many checks. "The most comprehensive source of contemporary crossword answers."--WILL SHORTZ, crossword editor of The New York Times From the Inside Flap The most comprehensive crossword reference--the only one based on actual crosswords. It's guaranteed to have more of the answers you're looking for.
