**From Brand: Wiley-Blackwell : The Daily Show and Philosophy: Moments of Zen in the Art of Fake News**  
before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Daily Show and Philosophy: Moments of Zen in the Art of Fake News:

0 of 0 people found the following review helpful. Hilarious Reading Material By WonderousWalker As a fan of the

daily show, I purchased this book hoping it would provide me with some light reading before bed. As it turns out, the book is not only laugh-out-loud hilarious, but also pretty intellectually stimulating. It's a comfortable read, and would be well-suited to any fan of John Stewart and/or the Daily Show. That being said, the book extends beyond the show, and spends a solid chunk of time examining philosophical issues/perspectives in some depth. Nevertheless, you don't need a philosophy degree to understand the book, and it should be accessible and understandable for people of a pretty wide educational background. TL:DR: If you're looking for entertainment and intellectual stimulation - AND you like the Daily Show/John Stewart - this is the book for you! 0 of 0 people found the following review helpful. Everyone should always look deeper. By The Parts in the Sum of the Whole Project The Daily Show provides such a necessary place in our media system that acts like today is the first day of history. The Daily Show remembers. And that is why people should read this. It digs deeper, in easily understandable philosophy (which is another thing people should know...it serves a vital role). Just like the Daily Show. 0 of 0 people found the following review helpful. Five Stars By ChrisGood product

An entertaining and insightful examination of the Emmy-award winning American satirical news show, broadcast on Comedy Central in the US, and (in an edited edition) on More4 in the UK and CNN International around the world. Includes discussion of both The Daily Show and its spin-off show, The Colbert Report Showcases philosophers at their best, discussing truth, knowledge, reality and the American Way Highlights the razor sharp critical skills of Jon Stewart and his colleagues Faces tough and surprisingly funny questions about politics, religion, and power head on

"The Daily Show and Philosophy brilliantly shows how rabid partisanship, ineffective media, shoddy public discourse, and hyperbolic book blurbs spell doom for America." Dave Baggett, editor of Harry Potter and Philosophy and Hitchcock and Philosophy From the Back Cover This book brings together nineteen essays on the many moments of Zen to be found in the artful humor of The Daily Show and The Colbert Report. Want the real deal on fake news? Want to know how Jon Stewart stacks up against public intellectuals past and present? How The Daily Show hones your critical thinking skills in the war on bad media, bullshit, and political spin? Want to know more about The Daily Shows philosophy of religion? About what truthiness really means? Or how far down Stephen Colberts irony goes? Its all right here. More than just fake news, The Daily Show has achieved an undeniable cultural significance. What better way to plumb its depths than with the razor-sharp, media-savvy minds of our Senior Philosophical Correspondents? About the Author Jason Holt is Assistant Professor at Acadia University. He is author of Blindsight and the Nature of Consciousness (2003).
