Not that good on the kindle -- music too small to read, even in the largest font. The titles are enlarged but not the music.

This is really just an old timey song book with some ukulele chords above the sheet music. There is really no clear indication as to how the

ukulele is to be played in the songs. No notation in the sheet music for upstroke, down stroke, vibrato, anything. I think the most modern music in here was written by the Beatles. So if you want a song book with some ukulele accompaniment hints then you may like this. If you want to learn about playing the ukulele then You tube has much better ukulele instruction. 0 of 0 people found the following review helpful. Must have Uke book! By BetsyM If you only buy one ukulele book, get this one. The Yellow Book is how I learned. The song choices are excellent and a good survey of some of our most popular western music. All classics. I used to sit with this book for hours and play and not know where the time went. We use this and the Blue Book at many ukulele events. Play though this, and even take some time to learn songs that you don't know as well. Your playing will improve. You'll get a great chord vocabulary under your belt. You'll also get an understanding of how sheet music is presented. It's great having the actual notes and bars. Hiding in the back of the book, under "children's songs" are some excellent tunes, including rainbow connection and You've got a friend in me. I have this one on kindle. While there are some drawbacks to the formatting, it works for me. Two page songs are more difficult to get to and it will not scale well on PC. It's tricky to scale. That's more a fault in the kindle software than the book.

(Ukulele). Strum a different song every day with easy arrangements of 365 of your favorite songs in one big songbook! The Daily Ukulele features ukulele arrangements with melody, lyrics and uke chord grids and are in ukulele-friendly keys that are particularly suited for groups of one to one hundred to play and sing. Includes favorites by the Beatles, Beach Boys and Bob Dylan, folk songs, pop songs, kids' songs, Christmas carols and Broadway and Hollywood tunes, all with a spiral binding for ease of use. Also features a Tips Techniques section, chord chart, and vintage ukulele-themed photos and art throughout. The Daily Ukulele offers ukulele fun all year long!
