**Ruth Martin, Thomas Martin : The Daughter of the Regiment (La Fille Du Regiment): Vocal Score** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Daughter of the Regiment (La Fille Du Regiment): Vocal Score:

Pour mon ame" and couldn't find my score, so thanks for having everything under the sun for a reasonable price and lightning fast shipping. The Schirmer is the score most people in the U.S. are using, the English translations (Ruth Thomas Martin, as always) are okay, although it is always better in the original French. No complaints. 1 of 1 people found the following review helpful. It's a Shirmer

score...what else needs to be said. By John M. I had to buy this score because the director of the Opera company chose it. It has all the normal Shimer problems....typos, typos, typos. Otherwise not bad. 0 of 0 people found the following review helpful. Good for the price. By Marilyn P. It's pretty inexpensive for a vocal score. This does show in the quality of the printing - it's not razor-sharp, there are typos. But it's certainly usable!

(Vocal Score). French/English. Translated by Martin.
