Roy Jones : The Dead Straight Guide to The Beatles (Dead Straight Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Dead Straight Guide to The Beatles (Dead Straight Guides):

One of the first books in this new series, this pocket guide looks at the Beatles, one of the most influential, innovative, and respected bands of all time. It covers every aspect of the Fab Four, including their music, lyrics, movies, and solo

careers.
