booklet. (Book is OK) On the other hand, if you feel your convention card is just the beginning, and you need to discuss many playing and bidding situations to arrive at good understanding with partner, then this little booklet is for you!! Many specific examples that advanced partnerships should discuss. (Book is great) 0 of 0 people found the following review helpful. Excellent book to firm Partnerships By Wish I bought one and then another for my friend. It helps to cement your agreements and make better contracts. There are no answers in the book. The answers come from your partnership agreements. 1 of 3 people found the following review helpful. i vote no on partnership understandings By Ken Eichenberger Way too complicated and time consuming. A waste of money and time. You are better off filling out a partnership agreement

Stop bidding misunderstandings before they occur with this valuable guide. It covers all the significant points you should discuss with your partner.
