From Hal Leonard : The Disney Collection (Easy Piano Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Disney Collection (Easy Piano Series):

237 of 246 people found the following review helpful. As Expected By Annie Lea McLeod I am a music teacher, and most of my young students love the Disney music. Unfortunately, regardless of the label "easy", Disney seems to always insist on keying their songs with flats and sharps, syncopated rhythm, and too-often mid-song key changes. I've used the Disney books for students of piano, as well as violin, and the same issues apply. What is so difficult about making a piano book with songs in the key of C, or maybe even occasionally G or F....? Would it be asking too much to simplify that syncopation so that measures could be easily read by beginners?? Must a violin book include flatted keys?? Sure, we all love the originals--jazzy rhythm, full orchestration.... but please give the wee ones a fighting chance at success in their early training. 2 of 2 people found the following review helpful. Item arrived in good condition and packaging By squirrel2468 Item arrived in good condition and packaging. It is as described, easy songs for beginner who has played for 1-2 years. Good selection of familiar Disney songs with easy composition to follow. 3 of 3 people found the following review helpful. Too Many Uninteresting Songs By Ronald K. Ridley My wife wanted this collection. I only like a few of the songs like: Under the Sea, When You Wish Upon A Star and Zip-A-Dee-Doo-Dah. Most of the songs are fillers that take up space and time. Yes the music is written easy, but almost too easy.

(Easy Piano Vocal Selections). This updated 3rd edition for easy piano features 60 Disney favorites, including new selections from Tangled, Frozen and much more. Songs include: The Bare Necessities * Beauty and the Beast * Can You Feel the Love Tonight * Cruella De Vil * A Dream Is a Wish Your Heart Makes * He's a Tramp * I See the Light * I've Got No Strings * Let It Go * Mickey Mouse March * Some Day My Prince Will Come * Supercalifragilisticexpialidocious * Under the Sea * When You Wish Upon a Star * Zip-a-Dee-Doo-Dah * and more.

About the AuthorFounded in 1947, Hal Leonard LLC has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time.
