Nathan Holsey : The Dominologist: Learn To Become The Best At Dominoes before purchasing it in order to gage whether or not it would be worth my time, and all praised The Dominologist: Learn To Become The Best At Dominoes:

0 of 0 people found the following review helpful. Five StarsBy CustomerGood Book1 of 1 people found the following review helpful. The DominologistBy DanteGood book, if your a beginner. Does tell you also about the comradery of the game and what to expect from others when your playing.It forewarns you about how people will talk trash to you.It

does go in depth to a point but could go a little further in some areas. really needs to have a chapter on how to play defense with some examples. Would be nice if it showed more examples on a more technical level. Overall a good book tho.0 of 0 people found the following review helpful. good bookBy Book WormGood book if you don't know the game, or if you just know how to play the very kid/simple way. I don't think it is for professional players, but may be to give you a look at how professional players think and play, and help you become one. Bought it for my son to go with the Brass spinner Dominoes set(the set comes without instructions).

Become the best at the most popular Domino game played in America, "Double Six". Get over 30 years of experience by studying unspoken rules, tradition and technique. Learn common phrases and slang used by seasoned Domino players.

About the AuthorNathan Holsey competed in the Professional Domino Association, and placed in the top ten of the California State Domino Championship. His love for Dominoes inspired him to write The Dominologist, start ?BIG SIX? Publishing, and www.thedominologist.com. Nathan and his wife Traci now run their own TV and Film company, Avielle Productions.
