This book is perfect for the beginner who is learning to improvise or 'fake' it. Only the treble clef line is given and no harmonies. You must improvise or 'fake' the left hand (and right hand harmonies) using the chord symbols listed above notes (written as C, G7, F, etc.). All songs are written in the key of C meaning there are no sharps or flats IN THE KEY SIGNATURE.

Some songs in this book use as little as two chords and less than five treble notes (Mary Had a Little Lamb); yet others are quite advanced for beginners (My Favorite Things). It is a great starting fake book, filled with a variety of songs in various easy levels. As the student learns new notes and chords, they progress to more advanced pieces. Love this book! 3 of 3 people found the following review helpful. Great Fun By Wayne I've been playing keyboard for a while but am still just an amateur. These Fake Books are great for beginners but will still be fun to knock around with even for those more experienced. You get a wide selection of music to dabble with, the size makes them easy to read, and the more experienced can add their own flourishes. I also adapt these for the harmonica without much trouble. 0 of 0 people found the following review helpful. Easy chords By Nowplaylkr Easy chords for beginners. I teach all my students how to play from chord symbols. They love that they can play so many songs with 3 or 4 chords. I also point out the classical music they play is built on chords. Foundation of music.

(Easy Fake Book). Easy arrangements of 100 favorites for kids, including: Addams Family Theme * Alphabet Song * Any Dream Will Do * The Bear Went over the Mountain * Beauty and the Beast * Bob the Builder "Intro Theme Song" * The Candy Man * Do-Re-Mi * Edelweiss * Elmo's Song * Hakuna Matata * The Hokey Pokey * If You're Happy and You Know It * John Jacob Jingleheimer Schmidt * Let's Go Fly a Kite * Linus and Lucy * My Favorite Things * On Top of Spaghetti * She'll Be Comin' 'Round the Mountain * Sing * A Spoonful of Sugar * Supercalifragilisticexpialidocious * Take Me Out to the Ball Game * This Land Is Your Land * Tomorrow * Won't You Be My Neighbor? (It's a Beautiful Day in the Neighborhood) * Yellow Submarine * You Are My Sunshine * and more. A must-have for parents and music classrooms!
