Secret weapon to holiday party success!By Rutherford BeresfordMy annual company Christmas party was coming up and I knew I'd be the designated piano player so I hopped onto , found this Fake Book and had it shipped to me ASAP. Well, the party was this past weekend and this book definitely helped make the "entertain" portion of the party an overwhelming success! This book has TONS of great Christmas tunes, both old and new, and they're all in easy-to-see, easy-to-play format so that anyone can be the life of the party and lead everyone in a great holiday sing-along. I'd highly recommend picking up a copy of this book to help make

this holiday season the best ever!0 of 0 people found the following review helpful. Oh, yeah, YOU WANT THIS BOOK !!By Barbara S. CappsThis book may start with the iconic favorites, but then gives you so much more. I play for the residents in the private retirement village in which I work. When I brought out the first set of lyric sheets I'd made they were amazed. Imagine the fun they had learning, "Gramma Got Run Over By a Reindeer" . Oh, yeah, you want not only THIS book. In fact, if you haven't played for awhile or if you play chords better than two staff music, this is an awesome way to get back to EASILY tickling the ivories you may have long ago given up on. I own five of Hal Leonard's collection and I not only use them at work, but, hey, I gotta practice at home at first, right? Give yourself a gift. GET 'EM ALL. But start with Christmas. I would say to the Hal Leonard Co, though, that I wish they would publish them with spiral bindings so they stay open. I always go to FedEx and have the spines cut off and the spiral bindings added for another \$5. But its worth it.0 of 0 people found the following review helpful. Very Easy to LearnBy Beverly L. ZachryIf I can play these songs, you can. Excellent for a crowd who love to sing louder than I play.

(Easy Fake Book). The new third edition of this popular Easy Fake Book title features large, easy-to-read notation, simplified harmonies and melodies, lyrics, and all songs in the key of C.
