It's a good book for beginners and it has GOOD size print ...By bettyCIt's a good book for beginners and it has GOOD size print and music...thus in having this, you have to flip more pages to get through a song. It indicated that it has the GUITER CHORDS .....but it doesn't have the FRET fingering diagram which I would rather prefer. I donated the Christmas song book to a Care home. I heard that some of the elderly residents play the piano. There is a piano in the lobby but they don't have any sheet music book. .0 of 0 people found the following review helpful. Wonderful Christmas Piano bookBy A. CarpenterWonderful Christmas Piano

Book!! The book has a lot of variety in it with traditional and spiritual songs, along with a few popular hits of today.. It's easy enough to play most songs from the beginning if you're a person that has taken a few years of piano lessons. Yet it's hard enough to still provide a little bit of a challenge even for more seasoned players... You can't go wrong with this book.. It's fun and I recommend it highly!!!0 of 0 people found the following review helpful. Five StarsBy sharon hunt weddelVery nice selection of easy to play (with some practice) songs
