Easy Piano Hymn Collection (Hal Leonard)By Loves Line DancingWhy oh why will companies and publishers not use the "free look inside" for customers (offers this). It's so hard to look at a piano book and determine what songs are in it, and if so, what the arrangements look like if we think we can play. Anyway, I ordered this book, not unhappy, but not completely happy. Some songs seem very difficult, some seem very easy. I buy from most of the time, quick, easy, and I love gthe one-click purchase. I'll keep this book, but when I go to song books or music sheets looking for a book, etc., I want to see an example of the songs, or the

Table of Contents. I'm going to list what I can in this review for you all. I don't think this is a beginner book, but I'm not sure it would be considered advanced either. Somewhere in the middle. I learned to play when I was young, and just starting over, so I want something not for kids, but I don't want something that an experienced professional pianist plays. I also did not grow up learning to play chords, it was left hand and right hand. Now I'm trying to learn chords. Seems too many to remember to me. Ha

I gave this book as a gift to a lady who, at age 80, is trying to re-learn piano playing. She had spent 2 months struggling with a standard hymnal and had learned just one hymn in that time. I left her this book on her piano, with the page opened to the one she learned, and tippy-toed out of there. A week later, and several times since then, she has called up with ecstatic thanks for giving her that book. It contains 50 easy-to-play hymns and she is learning more of them every day. Then going back to the standard hymnal and playing the more difficult chords and fingering of the same hymns. She is in a remote location where piano lessons are not easily come by. This book provided the lessons she wanted and needed, and has really launched her ability to play again.

Having played piano all my life, adding this collection of beloved hymns to my library is priceless. Now I can play at home with ease and still produce a wonderful song! It's nice to be able to play such great music without all the complexity and difficulty of harder to read music.

Easy arrangements of 50 treasured hymns: Abide with Me * Amazing Grace * At the Cross * Crown Him with Many Crowns * Fairest Lord Jesus * Higher Ground * Holy, Holy, Holy * I Love to Tell the Story * Jesus Loves Me * Nearer, My God, to Thee * Precious Memories * Rock of Ages * Sweet By and By * We Gather Together * What a Friend We Have in Jesus * When We All Get to Heaven * and more.
