Charline Spektor : The Emperors New Clothes and the Twelve Dancing Princesses before purchasing it in order to gage whether or not it would be worth my time, and all praised The Emperors New Clothes and the Twelve Dancing Princesses:

Outstanding performances (Elaine Stritch, Estelle Parsons, Lindsay Crouse, Jack Gilpin and many more) magical sound effects and an innovative score will capture the imagination of listeners young and old. The Emperor's New Clothes: Ingenuity, Courage, Friendship and Wild Imaginings unfold in this VERY NEW VERSION of the well loved classic. The Twelve Dancing Princesses: A very uptodate version of the Grimm story. Here the right guy gets the girl,

she's a princess, he's a miller, her dad's a king, but he's got magic and true love. "Perfect"

Two classic fairy tales are performed as original radio plays. The clever structure of each story involves a modern pair relaying the fairy tale as though recounting a personal story from their own pasts. Accents, intonations, music and sound effects are all used to wonderful effect. -- AudioFile
