It's perfect for an intermediate Sudoku solverBy Laurie RIt's perfect for an intermediate Sudoku solver. I love that I don't have to go through all the easy puzzles, to get to the medium puzzles, only to wind up frustrated with the really hard ones. These are all the same skill level and I'm on my second book, because I still can't do the 30 minute puzzles.0 of 0 people found the following review helpful. The best sudoku book ever!!!By LsuekI must have ordered at least 100 of these books over the few years I have been doing sudoku. Never get tired of doing it over over... soooo addicting!!!!
