The large print was perfect for her. She does not even need to put her reading glasses on to enjoy doing the word searches. Highly recommended! 3 of 3 people found the following review helpful. My mother-in-law approves! By B. Pearce I purchased this for my 91-year-old mother-in-law and she loves it. She has recently decided she likes word searches and now can't get enough of them. She was very thrilled when she saw this. The puzzles are large enough that she doesn't have any problem seeing the letters with enough words on each puzzle to take a while to finish. I think I made her happy with this purchase. 1 of 1 people found the following review helpful. Fun but too small By HipKitty! The word searches are fun but the word search box is very small. They should make it much bigger so it's easier to do and less messy. It's somewhat hard to see.
