We vaguely remembered how much he used to love crossword puzzles. In a last minute crunch to buy him a present, we bought him volumes 2 and 3. He loved them so much, he started completing 2-3 puzzles an evening... more after his surgery when he didn't have anything to occupy his time. It wasn't long before he had completed both books, and starting dropping hints about buying him the next volume. He loves this volume just as much as the others. As his wife would say, its rare for him to find so much enjoyment out of one simple thing!1 of 1 people found the following review helpful. entertainingBy E.
