Word Search book Charles Timmerman By Melissa Wingfield I love these word search books ... they last a very long time because there are over 300 word search puzzles (see top of book) that can keep me occupied for hours sometimes. All of this author's books are like this (different puzzles though) ... I have finished 3 already and plan to buy more. From my observation, each volume doesn't seem to get any harder as the volume number goes up; just different puzzles. 0 of 0 people found the following review helpful. I like the format and that the book stays open easily ... By Nelle I like the format and that the book stays open easily but I wish the topics were more challenging. 0 of 0 people found the following review helpful. Slightly Disappointed By Dana J While the

word searches themselves are what I expected, I was highly disappointed by the thinness of the pages. I previously completed Volume 1 and the pages in that were thicker and I didn't have to worry about the highlighter leaking through like I do with this one.
