9 of 9 people found the following review helpful. Good for People with Macular DegenerationBy MontanaFrankGreetings,I ordered this for my mom who has advanced macular degeneration. She has to search for words one letter at a time. My mom found the puzzles easy to read and the reflection of light off the book is minimal.I would recommend you buy two copies of this book if large-print word searches are an important part of your life; as it is my mom's. Good large-print word search puzzles are hard to find. I reordered other large-print word search puzzles book on this site for her and had to pay three times more or they were out of print.Best regards.....MontanaFrankThe

Five StarsBy Brenda J Whitegreat for giant times4 of 4 people found the following review helpful. so-soBy bubbette28I bought this book based on the other reviews for my grandmother who is 83 and has severe macular degeneration. She is always looking for puzzle books that she can see without a magnifying glass, and I was really hopeful that I may have finally found one. Unfortunately, although the word lists were definitely large enough, the letters in the puzzles themselves were too small for her to see. Oh well, I guess I'll keep trying.
