review helpful. There is NOTHING WRONG WITH USED BOOKS By D. at LLRC These books give a lot of pleasure for someone who has limited abilities. The fact that they are ""1USED"" just means that they were not sold before the next issue came out and the book sellers pulled them off their shelves. Some one you know with vision difficulties might find that LARGE PRINT makes it easier for them to enjoy doing the word search books The price is just the right amount and these make the perfect give for FAMILY and FRIENDS. 1 of 1 people found the following review helpful. Large Print Word Search Book By Lexi girl Great purchase! Bought this because I was on a long flight and needed some distraction. The large print was especially helpful because of my farsightedness. It provided with enough challenge. It made the flight seem somewhat shorter! I highly recommend this book for anyone who loves word searches and a good challenge!
