Best large print word searches available. By W. Johnson I buy all of these "Everything Large Print Word Searches" for my Mom, who has eyes sight issues as well as memory issues. They are by far the best of all we have tried out. I recommend to everyone! 0 of 0 people found the following review helpful. Great book! By Jill I have bought many of these for my mother who is 90 and they are perfect! These are

very good size with lots of Word Search puzzles in them. The print is large unlike other's that state large print but really are not. The print is large, the pages are clear and the whole book is just word search. Other books combine various puzzles but my mother who works on these daily can't manage other puzzles any more so these are perfect! She loves them and I will continue to buy these!
